Hello,

I wanted to introduce myself, I am Alex Rosen in the Office of International Affairs. I am currently the coordinator for EPA's MOU with Peace Corps and am myself an RPCV who served in Senegal.

OIA is currently coordinating EPA's response to Russia's invasion of Ukraine. Planning and action is still in the very early stages, but RPCVs that served in Ukraine may have applicable language, cultural, and technical skills. This is the very beginning stages of our engagement and it may still be some time before we have an outlet for tangible work. Please let me know if you are interested in getting involved.

On a personal note, I know how much friends and family that we make during our Peace Corps mean to us and I am keeping all of you in my thoughts.

Best regards,

Alex Rosen
